Re: State Bond – 2021 Legislative Priorities

At the Juneau Chamber's most recent board meeting, the directors reviewed the list of legislative priorities that the Assembly will be considering and prioritizing at your next meeting. Every item on the list has merit but the board felt there were three items that should be given high priority.

- **Centennial Hall Expansion**      **\$5 M**
- **West Douglas Extension**      **\$3 M**
- **Second Channel Crossing**      **\$3M**

The board did not attempt to prioritize the entire list and respect the Assembly's process for making the final determination.

Respectfully,
